About CMC-Vellore

The Undergraduate course in Medicine at CMC-Vellore comprises of three stages. The first stage of 12 months duration consists of the basic sciences of Anatomy, Physiology and Biochemistry. The next stage is of 18 months duration and comprises Clinical and Para-clinical subjects - Pharmacology, Pathology, Microbiology and Forensic Medicine. The last stage is of 24 months duration and covers Ophthalmology, Oto-rhinolaryngology, Community Medicine, General Medicine, Paediatrics, Surgery, Orthopaedic Surgery and Obstetrics & Gynaecology.

A block posting in Community Health is an integral part of each stage. Posting in mission hospitals and secondary care centers is a unique feature of medical education. The internship lasting for 12 months comprises of postings in Community Health, Medicine, Surgery, Obstetrics & Gynaecology, Child Health, Orthopaedics, Casualty and short electives in various specialties. All these are as per the guidelines of the Medical Council of India. The MBBS course is of four and a half (4 ½) years duration and is followed by one (1) year of Compulsory Rotating Residential Internship.

Eligibility Criteria

Eligibility for Admission to the MBBS Course in CMC-Vellore

- | | |
|----|--|
| 1. | Candidates should have completed the age of 17 years at the time of admission or should complete the said age on or before 31st December of the said year. |
| 2. | A candidate for admission to MBBS course "must have 60% * marks at +2 level in each of Physics, Chemistry and Biology and have an aggregate of 140 out of 200 in these subjects, both at qualifying and competitive examinations and should have passed in English".
(* 60% in each and 130/200 aggregate for BC; 55% in each and 120/200 aggregate for MBC; and 40% in each and 80/200 aggregate for SC/ST candidates). (BC, MBC, SC/ST as defined by the TN Govt; all rules subject to change as per State & University guidelines) |

Exam Structure

There shall be one objective type paper of 200 marks comprising 200 questions on four subjects' like-

Subjects / Types	No. of Questions	Marking Scheme	Negative Marks	Duration
Biology	60	1 x 60 = 60	NO	120 minutes
Physics	60	1 x 60 = 60	NO	
Chemistry	60	1 x 60 = 60	NO	
General Ability	(120)			(70 minutes)
Section-I	60	1 x 60 = 60	NO	50 min
Section-II	60	1 x 60 = 60		20 min
MCQs	Total – 180+120=300	MM – 180+120=300		

MOMENTUM

A written test consisting of multiple choice questions is conducted in English. Each question will have **five** possible answers as A, B, C, D, E. You may use a black ball point pen or HB pencil. Using a pencil is to your advantage. Credit is given for questions not attempted (those left blank). The credit given is equal to 1/5 (0.2) of the mark for that question.

For the degree courses (MBBS, BSc (N) & AHS) there are 60 questions each in Physics, Chemistry and Biology (120 minutes total) and 120 questions in General Ability with emphasis on Speed and Accuracy and a few questions on issues of current topical interest (70 minutes). The General Ability paper will be in **two** sections. Section I will have **60** questions to be answered in **50 minutes** and Section II will have **60** questions to be answered in **20** minutes.

Performance in this examination will be the basis for being called for **the interviews, practical tests and final selections**. At the time of the interviews for MBBS and B Sc Nursing courses, Christian students who have applied under the sponsored category will be given a test on **Bible Knowledge** (50 multiple choice questions). The General Paper (Non Science) for Group B will consist of multiple choice questions of a general nature, including very basic science, general knowledge, current awareness and general ability. Interviews and Practical test for selection to the various courses will be held at Vellore according to the schedule.

Application Procedure

Application form is available **ONLY** online.

The basic administrative fee and registration fees - All UG degree courses for each course can be paid as follows:
